## Class Descriptions

**Aqua Aerobics:** Utilize water resistance for a great cardio and toning workout with very little impact –easy on the joints.

**All Levels Yoga:** Built for beginners and those that want a simple concise practice. Learn the foundations of a healthy yoga practice and movements connected with breathing to build heat in the body. Leave feeling refreshed and renewed.

**Barre/Cardio Barre/Barre Fusion:** Combines the principles of Pilates, ballet and group fitness. Utilizes the ballet barre to focus on the glutes and thighs. Pilates mat and arm strength are incorporated to tone, sculpt and strengthen from head to toe. Cardio Barre incorporates even more dynamic movement to raise your heart rate and maximize your workout.

**BODYPUMP:** For anyone looking to get lean, toned and fit – fast. Using light to moderate weights with lots of repetition, BodyPump gives you a total body workout. Instructors will coach you through the scientifically proven moves and techniques pumping out encouragement, motivation and great music – helping you burn a large number of calories and achieve much more than on your own! You'll leave the class feeling challenged and motivated, ready to come back for more.

**Cardio Circuit:** Utilizes cardiovascular exercises with a focus on strengthening and sculpting to achieve solid muscle toning and a maximum calorie burn.

**Cardio Interval:** Build strength and endurance using a variety of cardio combinations.

**Cycling:** Ready to experience the exhilaration of outdoor cycling right at the gym? Then it's time to experience RealRyder. Get a solid cardio workout with even more benefits: stronger core, improved balance and coordination, toned arms and legs, greater joint mobility, and improved endurance, speed and agility. Each class offers different styles such as Intervals, High Intensity, Power or Climbs.

**Cycle Moves:** This class encourages a total body workout while cycling. We keep the music (and bodies) rocking as we move to the beat throughout this energetic class. Have fun, burn some serious calories and MOVE!

**FitMix:** Elevate your strength and stability with continuous dynamic full body strength movement using weights, resistance bands, steps and various equipment.

**HIIT (High Intensity Interval Training):** Burn calories, lose weight, build lean muscle, and improve cardio health in a short amount of time. Guaranteed to keep your heart pumping!

**HardCORE:** A great class that hits your core from all angles, this workout is designed to strengthen, shape, and define your middle! Works your abs, back and hip flexors.

**Kettlebells:** Get that heart rate up and challenge your body in ways that are much different than a regular strength training workout! Kettlebells are a highly effective training tool for improving total body strength.

**MuscleMax:** Use weights and your own bodyweight to maximize your strength and define your muscles. Leave feeling strong!

**Pilates Mat:** Total body workout with an emphasis on the core. Includes strength training and light cardio for muscle sculpting.

**PiYo:** Combines the muscle sculpting, core firming benefits of Pilates with the strength and flexibility advantages of yoga. We crank up the speed to deliver a true fat-burning low impact workout that leaves your body looking long, lean, and defined.

**Step Interval/ Step Circuit:** Utilizes the step for a great cardio workout without the bouncing movements. Step Interval is great for those new to group fitness. Step Circuit is geared toward those looking for a higher intensity workout.

**Strength Tabata:** Maximize your workout with a Tabata style workout including weights, cardio and core in a 2:1 ratio of effort and recovery

**Tai-Yo-Pi:** Tai Chi, Yoga and Pilates. This combination of movements leads your body through a workout that will leave you feeling stronger, more flexible and relaxed.

**Yoga Mix:** Based on a vinyasa yoga flow, this class utilizes bodyweight, core engagement and stretching, ending with a wonderful savasana relaxation.

**Zumba:** Combines low and high-intensity moves for an interval-style, calorie-burning dance fitness party.
