## CLASS DESCRIPTIONS

**Hot 60:** A 60-minute series of 26 postures, performed in a precise order one time, at approximately 105°F and 30% humidity. The sequence is specifically designed to incorporate strength, balance and flexibility.

**Hot All Levels Yoga:** Built for beginners and those that want a simple, concise practice. Learn the foundations of a healthy yoga practice and movements connected with breathing to build heat in the body. Leave feeling refreshed and renewed. 85-95°F

**Hot Barre:** Combines the principles of Pilates, ballet and group fitness. Utilizes the ballet barre to focus on the glutes and thighs. Pilates mat and arm strength are incorporated to tone, sculpt and strengthen from head to toe. 85-95°F

**Hot Power:** Based on the principles of vinyasa yoga, this higher intensity class will energize and challenge your body and mind. Meet resistance, adversity and challenge, helping you find your "zen" as you flow tenaciously. 85-95°F

**Hot Pilates:** Total body workout with an emphasis on the core. Includes strength training and light cardio for muscle sculpting.

**Hot Vinyasa:** A dynamic class offering a full spectrum of yoga benefits: endurance, flexibility and strength. Yoga postures (asanas) are connected through breath for a transformative and balancing effect. With no two vinyasa flow classes being the same, you will be given a different and rewarding experience every time you step onto your mat. 85-95°F

**Hot Yoga Mix:** Based on a vinyasa yoga flow, this class utilizes weights, core engagement and stretching, ending with a wonderful savasana relaxation! 85-95°F

**Hot Yoga Sculpt:** A total body yoga workout utilizing weights, cardio, and plyometrics to help sculpt your body. 85-95°F

**Restorative Yoga:** Encourages physical, mental, and emotional relaxation. Practiced at a slow pace, focusing on long holds, stillness, and deep breathing 70-75°F

**Yin Yoga:** Deep stretching and complete relaxation. Yin is suitable for everyone. It lengthens ligaments, softens joints and relaxes the back, restoring your body for further yoga practice or the day-to-day movement of life. 70-75°F
